#### **GUARANTY**

**Section 1.01 Guaranty.** The Guarantor hereby guarantees to the Concessionaire and the Department, absolutely, unconditionally and irrevocably, that each and every payment and performance obligation and other liability of the Contractor now or hereafter arising under the Design-Build Contract, including but not limited to all obligations and liabilities of the Contractor under any and all representations and warranties made or given by the Contractor under the Design-Build Contract, under any and all liquidated or stipulated damage provisions of the Design-Build Contract and under any and all indemnities given by the Contractor under the Design-Build Contract (collectively the “Guaranteed Obligations”) will be promptly paid and satisfied in full when due and without offset, and performed and completed when required.

**Section 1.02 Obligations.** Except as otherwise provided in Section 4.06 below, the obligations of the Guarantor hereunder are absolute and unconditional and independent of the Guaranteed Obligations of the Contractor and shall remain in full force and effect until all the Guaranteed Obligations have been paid, performed and completed in full, irrespective of any assignment, amendment, modification or

termination of the Design-Build Contract.

**Section 1.03 No Exoneration.** Except as otherwise provided in Section 4.06 below, the obligations of the Guarantor hereunder shall not be released, discharged, exonerated or impaired in any way by reason of:

(a) any failure of the Concessionaire or the Department to retain or preserve any rights against any person;

(b) the lack of prior enforcement by the Concessionaire or the Department of any rights against any person and the lack of exhaustion of any bond, letter of credit or other security held by the Concessionaire or the Department;

(c) the lack of authority or standing of the Contractor or the dissolution of the Guarantor, the Contractor, the Concessionaire or the Department;

(d) with or without notice to the Guarantor, the amendment, alteration, acceleration, extension, waiver, retirement, suspension, surrender, compromise, settlement, release, revocation or termination of, or failure to assert, any portion of the Guaranteed Obligations, the Design-Build Contract, any rights or remedies of the Concessionaire or the Department (including rights of offset) against the Contractor, or any bond, letter of credit, other guaranty, instrument, document, collateral security or other property given or available to the Concessionaire or the Department to secure all or any part of the Guaranteed Obligations; *provided* that, notwithstanding the foregoing, the Guarantor shall have available to it any and all defenses to performance of the Guaranteed Obligations that may be available to the Contractor based on any such amendment, alteration, acceleration, extension, waiver, retirement, suspension, surrender, compromise, settlement, release, revocation or termination or failure to assert voluntarily made by the Concessionaire or the Department, except defenses available to the Contractor under any federal or state law respecting bankruptcy, arrangement, reorganization or similar relief of debtors;

(e) the extension of the time for payment of any amount owing or payable under the Design-Build Contract or of the time for performance or completion of any Guaranteed Obligation; *provided, however,* that to the extent the Concessionaire grants the Contractor an extension of time under the Design-Build Contract for performance of any of the obligations of the Contractor thereunder, such extension of time shall likewise extend the time for performance by the Guarantor;

(f) except as otherwise provided in subsections (d) and (e) above, the taking or the omission of any of the actions referred to in the Design-Build Contract or of any actions under this Guaranty;

(g) the existence now or hereafter of any other guaranty or endorsement by the Guarantor or anyone else of all or any portion of the Guaranteed Obligations;

(h) the acceptance, release, exchange or subordination of additional or substituted security for all or any portion of the Guaranteed Obligations;

(i) the taking of any action or the failure to take any action which would constitute a legal or equitable defense, release or discharge of a surety;

(j) any bankruptcy, arrangement, reorganization or similar proceeding for relief of debtors under federal or state law hereinafter initiated by or against the Contractor or any of its members, the Concessionaire or the Department;

(k) any full or partial payment or performance of any Guaranteed Obligation which is required to be returned as a result of or in connection with the insolvency, reorganization or bankruptcy of the Contractor or any of its members or otherwise;

(l) the rejection of the Design-Build Contract in connection with the insolvency, reorganization or bankruptcy of the Contractor or any of its members;

(m) an impairment of or limitation on damages due from the Contractor by operation of law in any insolvency, reorganization or bankruptcy proceeding by or against the Contractor or any of its members;

(n) failure by the Concessionaire or the Department to file or enforce a claim against the estate (either in administration, bankruptcy or other proceedings) of Contractor, any of its members, the Guarantor or any other guarantor;

(o) any merger, consolidation or other reorganization to which the Contractor, the Concessionaire, the Department or the Guarantor is a party;

(p) any sale or disposition of all or any portion of the Guarantor's direct or indirect ownership in the Contractor, or any other event which results in discontinuation or interruption in the business relations of Contractor with the Guarantor;

(q) except as otherwise provided in subsection (d) above, the lack of genuineness, validity, regularity or enforceability of any of the Guaranteed Obligations or the Design-Build Contract;

(r) the failure of the Concessionaire or the Department to assert any claim or demand, bring any action or exhaust its remedies against the Contractor or any security before proceeding against the Guarantor hereunder after the expiration of applicable notice and cure periods; or

(s) the termination of the Design-Build Contract by reason of the Contractor's default thereunder.

**Section 1.04 Enforcement of the Design-Build Contract and Guaranteed Obligations.**

(a) Nothing contained herein shall prevent or limit the Concessionaire or the Department from pursuing any of its respective rights and remedies under the Design-Build Contract or the Department from pursuing any of its rights under the Comprehensive Agreement or any provisions thereof. The Concessionaire and the Department may apply any available moneys, property or security in such manner and amounts and at such times to the payment or reduction or performance of any Guaranteed Obligation as they may elect, and may generally deal with the Contractor, the Guaranteed Obligations, such security and property as the Concessionaire or the Department may see fit. Notwithstanding the foregoing, the Guarantor shall remain bound by this Guaranty.

(b) Subject to Section 4.06 below, the Guarantor shall be obligated to undertake all curative action which may be agreed upon between the Concessionaire, the Department, the Guarantor and the Contractor. If following notice under Section 4.06 below, the Guarantor does not use commercially reasonable efforts to proceed promptly to effectuate such curative action within a reasonable time, or should no agreement on the curative action be reached within 14 days after the Concessionaire or the Department notifies the Contractor and the Guarantor (or such longer period as may be permitted under Section 4.06 below) of the need for curative action (or immediately, in the case of emergency conditions), the Concessionaire or the Department, without further notice to the Guarantor, shall have the right to perform or have performed by third parties the necessary curative action, and the costs thereof shall be borne by the Guarantor.

(c) The Concessionaire or the Department may bring and prosecute a separate action or actions against the Guarantor to enforce its liabilities hereunder, regardless of whether any action is brought against the Contractor and regardless of whether any other person is joined in any such action or actions. Nothing shall prohibit the Concessionaire or the Department from exercising its rights against any of the Guarantor, the Contractor, any other guarantor of the Guaranteed Obligations, a performance bond or other security, if any, which insures the payment of the Guaranteed Obligations, or any other person simultaneously, or any combination thereof jointly and/or severally.

**ARTICLE II**

(g) No Proceedings. There are no suits or proceedings pending, or, to the knowledge of the Guarantor, threatened in any court or before any regulatory commission, board or other governmental administrative agency against the Guarantor which could reasonably be expected to have a material adverse affect on the business or operations of the Guarantor, financial or otherwise, or on its ability to fulfill its obligations hereunder; and

(m) Notice of Change. The Guarantor shall advise the Concessionaire and the Department in writing of any material adverse change in the business or financial condition of the Guarantor and promptly furnish to the Concessionaire and the Department such information about the financial condition of the Guarantor as the Concessionaire or the Department shall reasonably request.

(iii) demand on the Guarantor in the event of default except

demand as set forth in Section 4.06 below;

(iv) any invalidity of the Design-Build Contract due to lack of proper authorization of or a defect in execution thereof by the Contractor, its purported representatives or agents;

(v) demand for payment or performance, presentment, protest and notice of nonpayment or dishonor respecting any Guaranteed Obligation;

(vi) all other notices to which the Guarantor might otherwise be entitled, except notice as set forth in Section 4.06 below;

(vii) any demand for payment hereunder except as set forth in Section 4.06 below;

(viii) the provisions of Sections 49-25 and 49-26 of the Code of Virginia of 1950, as amended; and

(b) The Guarantor also hereby waives any right to require, and the benefit of all laws now or hereafter in effect giving the Guarantor the right to require, any prior enforcement as referred to in Section 1.03(b) above, and the Guarantor agrees that any delay in enforcing or failure to enforce any such rights or in making demand on the Guarantor for the performance of the obligations of the Guarantor under this Guaranty shall not in any way affect the liability of the Guarantor hereunder.

(c) The Guarantor hereby waives, as against the Concessionaire, the Department or any person claiming under the Concessionaire or the Department, all rights and benefits which might accrue to the Guarantor by reason of any bankruptcy, arrangement, reorganization or similar proceedings by or against the Contractor and agrees that its obligations and liabilities hereunder shall not be affected by any modification, limitation or discharge of the obligations of the Contractor that may result from any such proceedings.

(d) Until the Contractor shall have fully and satisfactorily paid, performed, completed and discharged all the Guaranteed Obligations, the Guarantor hereby agrees not to file, or solicit the filing by others of, any involuntary petition in bankruptcy against the Contractor.

**Section 3.02 Subrogation.** Until the Contractor shall have fully and satisfactorily paid, performed, completed and discharged all the Guaranteed Obligations,

the Guarantor shall not claim or enforce any right of subrogation, reimbursement or indemnity against the Contractor, or any other right or remedy which might otherwise arise on account of any payment made by the Guarantor or any act or thing done by the Guarantor on account of or in accordance with this Guaranty.

**Section 3.03 Subordination.**

(a) All existing or future indebtedness of the Contractor to the Guarantor is subordinated to all of the Guaranteed Obligations. (b) The Guarantor shall file all claims against Contractor in any bankruptcy or other proceedings in which the filing of claims is required or permitted by law upon any obligation or indebtedness of the Contractor to the Guarantor, and shall have assigned to the Concessionaire and the Department all of the Guarantor's rights thereunder to the extent of outstanding and unsatisfied Guaranteed Obligations. If the Guarantor does not file any such claim, the Concessionaire or the Department is authorized as the Guarantor's attorney-in-fact to do so in the Guarantor's name, or in the discretion of the Department and the Concessionaire, the Concessionaire or the Department is authorized to assign the claim to, and cause proof of claim to be filed in the name of the Concessionaire, the Department or their nominees.
